# ZionaPOS Core Technologies & Enterprise Architecture

Next-Gen AI, Statutory Compliance, Omnichannel Automation & Cloud Infrastructure

### [AI OCR] Gemini AI Purchase Bill OCR Scanner

* Eliminates manual data entry by 100% using multimodal Gemini Vision OCR technology.
* Instantly extracts Supplier Name, GSTIN, Invoice Date, HSN Codes, Line Items, MRP, and Buy Rates.
* Auto-detects medicine batch numbers, manufacturing/expiry dates, and IMEI serials directly into inventory.
* Fully integrated into the Inward Purchase workflow (/inventory/purchase and /scan-purchase).

### [BOOKING] Zero-Wait Multi-Tenant Customer Booking Portal

* Dedicated public booking URL for every store: https://www.zionapos.store/book/[slug] (No customer login required).
* Collision-free slot engine checks stylist schedules & existing appointments in real-time.
* Progressive Web App (PWA) prompt lets smartphone customers add the salon app to their home screen.
* 1-Tap Repeat Booking stores customer service preferences and favorite stylist for instant re-booking.
* Reception tabletop standee QR modal with 1-click direct WhatsApp booking link sharing.

### [BOT] Two-Way Interactive WhatsApp Bot Webhook

* Official Meta Cloud API webhook (/api/whatsapp/webhook) with signature verification.
* Real-time customer self-service keywords: 'DUES' (balance khata), 'BILL' (last PDF invoice), 'PAY' (UPI link).
* Automated payment reminders with embedded dynamic UPI payment links and instant payment acknowledgement.

### [UPI & GST] Dynamic NPCI UPI QR & Statutory GST Compliance

* Dynamic BharatQR encoded with exact invoice paise amount generated directly on 80mm/58mm thermal bills.
* Automatic GST calculation: Intra-state (CGST + SGST) vs Inter-state (IGST), B2B vs B2C, HSN/SAC summaries.
* Statutory GSTR-1 and GSTR-3B tax reports ready for direct portal e-filing.

### [SECURITY] Enterprise Multi-Tenancy & Hardware Compatibility

* Complete logical tenant isolation hosted on high-performance Neon PostgreSQL serverless cloud.
* Driverless hardware support: 80mm & 58mm ESC/POS thermal printers, weighing scale barcodes, pole displays, A4 PDF.
* Granular Role-Based Access Control (RBAC): Distinct permissions for OWNER, MANAGER, CASHIER, and STAFF.
