DEMO BUSINESS NAME

Apex Motors & Auto Spares

LOGIN EMAIL ID

apexmotors@smartvyapar.com

LOGIN PASSWORD

ApexAuto@2026

1. Getting Started & Logging In

SmartVyapar ERP is 100% cloud-hosted with zero installation required. It runs seamlessly on desktop computers, laptop counters, barcode scanners, iPads, and Android tablets.

1

Open Portal
Visit **https://smartvyapar.vercel.app/login** on Google Chrome or Microsoft Edge.

2

Enter Credentials
Email: **apexmotors@smartvyapar.com**
Password: **ApexAuto@2026**

 **Power-User Omnisearch (Ctrl + K):** Press Ctrl + K on Windows or Cmd + K on Mac anywhere in the app to open the global command palette. Type keywords like "oil", "invoice", "p&l", or "transfer" to jump instantly.

2. Business Profile & Tax Master

Navigate to **Settings** in the left sidebar to view the configured business identity:

CONFIGURATION FIELD	VALUE	PURPOSE IN ERP
Business Name	Apex Motors & Auto Spares	Header on all print invoices and slips
GSTIN	32AAACA5678F1Z9	Tax filings, GSTR-1, and E-Invoicing
State Code	32 (Kerala)	Auto-determines CGST+SGST vs. IGST
UPI ID	apexmotors@hdfcbank	Generates dynamic QR codes on customer bills
Multi-Warehouse	Active (Central Godown & Service Bay)	Enables godown-to-workshop stock transfers

3. Auto Spares & Service Labor Masters

SmartVyapar supports both physical automobile spare parts (tracked by SKU & FIFO batches) and workshop labor service packages (BOM-linked):

ITEM TITLE	CATEGORY	HSN / SAC	GST %	PURCHASE (₹)	SALE RATE (₹)
Castrol EDGE 5W-40 Synthetic (4L)	Lubricants	2710	18%	₹2,200.00	₹3,100.00
Bosch QuietCast Brake Pads (Set)	Braking	8708	28%	₹1,400.00	₹2,250.00
NGK Laser Iridium Spark Plug	Ignition	8511	28%	₹380.00	₹650.00
Periodic Maintenance Service (PMS)	Labor	9987	18%	₹0.00	₹1,800.00
Laser 4-Wheel Alignment & 3D Balancing	Labor	9987	18%	₹0.00	₹950.00

4. AI Purchase Bill Scanner (Gemini Vision)

Say goodbye to manual data entry for 50-item distributor bills! SmartVyapar includes a built-in AI scanner that processes physical paper bills in under 3 seconds.

How to Restock via AI:

1. Navigate to **AI Smart Tools** → **AI Purchase Bill Scanner**.
2. Upload a photo or PDF of the supplier invoice (e.g. from Bosch, Castrol, or TVS).
3. Gemini Vision OCR reads Part Numbers, Descriptions, HSN codes, Quantities, and Rates.
4. Click **Confirm & Auto-Restock** to update inventory and Input Tax Credit (ITC) ledgers atomically.

Automated Accounting Impact:

- **Debit:** Inventory Asset Account (1200)
- **Debit:** Input CGST (1410) & Input SGST (1420)
- **Credit:** Accounts Payable - Creditor (2000)
- **Stock Audit:** Increases SKU quantity in Central Godown

5. High-Speed Counter POS & Statutory E-Invoicing

The POS billing counter enables checkout in under 3 seconds with full statutory GST Rule 48(4) E-Invoicing:

Billing Steps:

- Scan barcode or search part name (e.g. Castrol 5W40).
- Add workshop repair labor (e.g. PMS Labor Package).
- Select Customer (Cash customer or Fleet Taxi Operator).
- Select Payment Mode: **UPI, Cash, Card, or Khata Credit**.
- Click **Save & Print Bill**.

Statutory E-Invoice Outputs:

- **Cryptographic IRN Hash:** 64-character statutory SHA-256 string.
- **Signed QR Code:** Scannable by tax officers & customer payment apps.
- **16-Digit Ack Number:** Official IRP registration number.
- **WhatsApp Delivery:** Direct bill link sent to customer phone.

Sample Seeded Invoice: Invoice INV-2026-0001 for customer *Kerala Fleet Taxi Operators Co-op* (₹11,168.00) is already generated in the demo account with a live IRN hash and signed QR code!

6. Multi-Warehouse & Goods Delivery Challans

Manage inventory across multiple godowns and service bays. The demo account has 2 active facilities:

- **Central Auto Spares Godown (WH-CENTRAL):** Bulk parts, drum storage, battery pallets.
- **Workshop Service Bay Storage (WH-BAY):** Active parts on hoist racks ready for mechanics.

When moving oil or brake pads to the service bays, create an **Inter-Branch Stock Transfer** (/inventory/transfers) to generate an Indian GST Rule 138 compliant **Goods Delivery Challan** with vehicle numbers (KL-07-BX-8821) and driver sign-off blocks.

7. Double-Entry Accounting Vouchers (PV / RV / CV / JV)

Unlike simple billing software that only records sales, SmartVyapar provides a formal double-entry accounting engine with 4 statutory voucher types:

VOUCHER TYPE	CODE	DEMO TRANSACTION RECORDED	DOUBLE-ENTRY POSTING
Payment Voucher	PV-2026-0001	Workshop Bay Rent (₹25,000)	Dr. Rent Expense (5100) / Cr. HDFC Bank (1010)
Receipt Voucher	RV-2026-0001	Fleet Taxi Advance UPI (₹15,000)	Dr. HDFC Bank (1010) / Cr. Accounts Receivable (1050)
Contra Voucher	CV-2026-0001	Counter Cash to Bank CDM (₹12,000)	Dr. HDFC Bank (1010) / Cr. Counter Cash (1000)
Journal Voucher	JV-2026-0001	Hydraulic Hoist Depreciation	Dr. Depreciation Expense / Cr. Accumulated Dep.

Every voucher has a single-click **Print Slip** button formatted with company header, voucher number, date, detailed debit/credit breakdown, narration, and dual signature blocks (*Prepared By & Authorized Signatory*).

8. Instant Statutory Financial Statements

Navigate to **Accounting & GST → Financial Reports** to view real-time financial statements:

1. Trial Balance (Gross & Net) Summarizes all 20 active accounts. Displays total debits and credits with an automated mathematical equilibrium check: ✓ Status: In Equilibrium (Δ ₹0.00 Balanced)	2. Profit & Loss Statement (Schedule III) Shows complete operational breakdown: • Operating Revenue: ₹1,12,700.00 • Direct Costs / COGS: ₹52,000.00 • Gross Profit: ₹60,700.00 (53.9% Margin) • Operating Expenses: ₹36,980.00 • Net Profit for Period: ₹27,720.00 (24.2% Net)
3. Balance Sheet (T-Form) Verifies fundamental accounting equality: • Total Assets: ₹6,10,300.00 • Total Liabilities & Equity: ₹6,10,300.00 • Identity Check: Assets = Liabilities + Capital	4. General Ledger Statement Select any account (e.g. <i>HDFC Bank</i> or <i>Workshop Cash</i>) to see chronological debits, credits, and progressive running balance with export options.
